

LET YOUR LIGHT SHINE FOR WOMEN AT RISK

ANGLICORD'S CHRISTMAS LIGHTS APPEAL 2011

"LET YOUR LIGHT SHINE BEFORE OTHERS, SO THAT THEY MAY SEE YOUR GOOD WORKS AND GIVE GLORY TO YOUR FATHER IN HEAVEN." MATTHEW 5.16:

Mary gave birth in a dark and dirty stable, and throughout Jesus' early childhood, they remained in danger. Women still give birth and raise children in dangerous situations around the world today.

Give the gift of light this Christmas and keep women safe.

Did you know that over 60% of women in Solomon Island report violence by an intimate partner, and over half have been forced into sex against their will?

Increased lighting through our solar program means that women are safer, because, to put it bluntly, **more light equals less rape.**

Good lighting in homes and villages can help keep women safe, but most people in Solomon Islands do not have access to electricity.

When you buy the gift of solar light, you are also investing in **Education, Employment and Health & environment benefits.**
